9943759228 | b.dharmaraj879@gmail.com

2/25 Narasingam, Othakadai, Madurai - 625107

PROFILE

Motivated B.Sc. Computer Science (Data Science) graduate with a strong interest in UI/UX design. Passionate about creating clean, user-friendly and modern digital interfaces. Looking for an opportunity to apply design skills, learn from a professional team and grow as a UI/UX designer.

CAREER OBJECTIVE

To begin a career in UI/UX design where I can use my creativity and technical knowledge to design simple, attractive and user-friendly digital products while continuously improving my skills.

SKILLS

HTML, CSS, JavaScript, Figma, GitHub, WordPress, Adobe XD, SQL, Typing, UI/UX Design

PROJECTS

Dress Shop Website – HTML & CSS

Designed a responsive dress shopping website with product cards and a modern UI.

Food Express – HTML, CSS & JavaScript

Developed a food ordering website with an interactive menu and responsive design.

Hostel Booking UI – Figma

Designed a user-friendly hostel booking interface with room listings and booking flow.

Mobile Shop – WordPress

Created a responsive mobile shopping website with products, brands, offers, and categories.

Bicycle Shop – WordPress

Developed a bicycle shopping website with product showcases, categories, and modern layouts.

Hostel Information Website – Figma

Designed a clean and user-friendly hostel information UI with details about rooms, facilities, amenities, and contact information.
